

Friday Night Brights

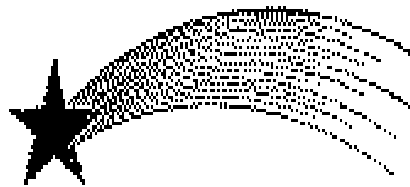

A 250th Celebration Committee Production

Pop into something festive, a coat and tie, or gown.
Join us for a glass of wine or perhaps a Newcastle Brown.
Nibble on some canapés and catch up with many friends.
Stay with us for just an hour or until the evening ends.
Talk about church history, remembering times gone by or
just chat with our special guests till parting time draws nigh.
Please come and party with us then, on February 8
7:00 until 9, we hope you won't be late.
